Dialogue

Operator: Emergency. Which service do you require?

A: Hello? There was an accident... I don't know what to do.

Operator: Please calm down. I'll try to help you. Do you know where you are?

A: I'm not sure. I'm a stranger here.

Operator: Can you see any landmarks?

A: There is an old mill close to the park.

Operator: OK, I know where you are. What happened?

A: A car hit a cyclist at the crossroads.

Operator: How many people are hurt?

A: The cyclist is sitting on the pavement. I guess he's bleeding. The driver is still in the car. That woman is pregnant and she is holding her stomach! I don't know what to do.

Operator: OK, stay on the line. Please give me your name and phone number.

A: I'm My phone number is

Operator: Thank you. An ambulance is on its way.
